U. S. circuit court.

BRITTON & KOONTZ
vs.
THE POLICE JURY OF THE PARISH OF TENSAS. } No. 6291.

In the above-entitled case, the said defendant comes, and for answer to plaintiffs' petition, says that it denies, generally & specially, each and every allegation in plaintiffs' petition contained, except what may be hereinafter expressly admitted.

This defendant, further answering, says that this hon. court has no jurisdiction of the demand sued on upon said supposed coupons of interest, for this, that they, said Britton & Koontz, obtained possession of said supposed bonds and coupons, annexed to plaintiff's petition
9 and such other bonds as they may have, from a partnership firm known as Kennedy and Maxwell, citizens of the State of Louisiana.

This defendant, further answering, says that the said supposed ordinance of said police jury, passed upon the 18th day of January, A. D. 1869, was and is null and void, for illegality, and has since been rescinded by said police jury, viz, by an ordinance passed on the 7 day of June, A. D. 1870, and that the time said supposed bonds and coupons of interest were signed by said Eli Tullis, the said police jury was not indebted to said Kennedy & Maxwell, nor to said plaintiffs, nor to any other person or persons from said plaintiffs received said bond and coupons, & the same are null and void for want of a consideration and for want of execution in such form as to create a legal obligation on the part of said police jury to pay the same.

And this defendant, further answering, says that it is pretended that said supposed bonds and coupons were given in renewal of certain sight drafts or orders of the levee inspector of the parish of Tensas, bearing dates, viz: two dated 17th day of December, A. D. 1860, for
10 $2,500 each, and two dated January 10th, A. D. 1861, for $2,500 each, and one 10th January, A. D. 1861, for $5,000, and that said sight drafts were valid for said amounts and eight per cent. interest thereon; whereas they did not bear any interest and were themselves null and void, because the ordinance under which they were issued , and said police jury have not made any provision for the redemption of, nor the paying of, principal and interest of such supposed indebtedness, and because said supposed sight drafts and claims were barred by prescription of five years.

And this defendant, further answering, says that for a like reason, viz, because said supposed ordinance of said police jury of January 18, A. D. 1869, made no provision for the payment of principal and interest of the indebtedness proposed to be created by said last-mentioned ordinance, and the same was passed in violation of the act of the legislature of the State of Louisiana approved on the 29th day of April, A. D. 1853, the same was and is null and void, and the same and the supposed bonds and coupons executed, or purporting to be executed, under the same are absolutely null and void, and that said last-men-
11 tioned ordinance conferred no legal or valid authority upon said Tullis, nor any other person, to issue said pretended bonds or coupons of interest, nor to bind said police jury of Tensas to pay the said pretended claims of said plaintiffs nor any part thereof. And this defendant further represents that said ordinance of January 18, 1869, was obtained by misrepresentation and error induced by said Koontz, by representing that A. P. Marshall, a principal creditor of said parish, would accept said resolution.

Wherefore this defendant prays for judgment against said demand, and in its favor, and for costs of suit.

Att'ys for Defendant.

BRITTON & KOONTZ
vs.
POLICE JURY PARISH OF TENSAS. } No. 6291.

On motion of Race, Foster, & E. T. Merrick, counsel for defendant, ordered that plaintiffs show cause, on the 19th instant, at 11 a.

On motion of Semmes & Mott of counsel for plaintiffs, it is ordered that the defendants show cause, on Wednesday, the 19th instant, at 11 a. m., why the deposition of George W. Koontz, taken by commission issued herein, shall not be read in evidence on the trial of this case, the forms of law having been complied with.

Order rules made absolute.—Extract from the minutes of April 19*th*, 1871.

BRITTON & KOONTZ
vs.
POLICE JURY PARISH OF TENSAS. } No. 6291

The rules of the 15th & 17 instant were called—Race, Foster, & E. T. Merrick, Semmes & Mott—when, by consent, both rules are made absolute and said depositions read in evidence on the trial of the cause.

13 *Amended answer.—Filed April* 22, 1871.

BRITTON & KOONTZ
vs.
THE POLICE JURY OF THE PARISH OF TENSAS. } No. 6291.

In this case, leave of the court being first had and obtained, the defendant comes & amends its original answer filed in this case by alleging, in addition to the several causes of nullity therein set forth, & which with the other defences are still insisted upon, that said supposed ordinance of said police jury of date 18th day of January, 1869, as well as of all said supposed bonds and coupons issued under the same, are also null and void for this: that, under the constitution and laws of the State of Louisiana, said police jury of said parish of Tensas was without right or authority to pass said supposed ordinance of the 18th day of January, 1869, and without right or power to authorize the issuance of said supposed bonds and coupons, and there was, and is, no law authorizing the making or execution of the same.

Wherefore, and for the causes set forth in the original answer,
14 this defendant prays that plaintiffs' demand be rejected and for costs.

BRITTON & KOONTZ
vs.
THE POLICE JURY OF THE PARISH OF TENSAS. } No. 6291.

Before the Hon. E. H. Durell, alone, presiding.

Be it remembered that on the trial of this cause, on the 15th day of June, A. D. 1871, before the jury, certain warrants, drawn by the levee inspector of the parish of Tensas on treasurer of the levee fund, in favor of Kennedy & Maxwell, or order, bearing date the seventeenth day of December, 1860, and the 10th day of January, 1861, and payable at sight, had been offered in evidence, and thereupon the plaintiffs' counsel, before the jury had retired to deliberate upon the verdict, requested the court to charge the jury, "that levee warrants issued in pursuance of the provisions of act No. 233, approved 16th March, 1848, as amended by act No. 56, approved 2d March, 1850, are legal and valid obligations of the parish of Tensas."

And the defendant's counsel having contended, in argument to the jury, that said levee warrants were drawn against a special fund,
18 called the levee fund, by officers whose duties were prescribed by laws, and who alone had the power to contract & give validity to levee contracts in the parish of Tensas, and that at the date of said ordinance alleged in plaintiffs' petition and relied on *on* the laws on the subject of the levees, and all power over them by such officers in said parish of Tensas, had been repealed, and the subject transferred to other officers who had power over the subject, the plaintiffs' counsel asked the court to charge the jury that, "no subsequent laws, passed after the issue of said warrants, can impair or destroy said obligations." And thereupon the said court charged the jury in both particulars, as requested by plaintiffs' counsel, and the defendant's counsel then and there excepted to each part and to the whole of said charge of the court to the jury, and tendered this its bill of exceptions to the court for seal, signature, and allowance, which is done.

BRITTON & KOONTZ
vs.
POLICE JURY OF THE PARISH OF TENSAS. } No. 6291.

Before Hon. E. H. Durell, alone, presiding.

Be it remembered that on the trial of this case, it having been argued to the jury by defendant's counsel that the said levee warrants, issued to said Kennedy & Maxwell, surrendered by said Britton & Koontz, and which said warrants are copied in another bill of exception, to which reference is hereby made for the tenor and effect of said warrants, on and prior to the 18th day of January, 1869, were barred by prescription of five years; and the court having charged the jury that they were not barred, as requested by plaintiffs' counsel, as stated in another bill of exception as to the prescription of the levee warrants, defendant's counsel requested the court to charge the jury then present, "that as it respects persons domiciled and actually residing within the confederate lines during the war, to whom the State courts were open during said period,

20 and who, on account of their citizenship and actual residence, were not entitled, and could not be entitled, to sue in the United States court, prescription and statutes of limitation ran according to the laws of said States, where the action should have been brought, and actions between such persons, when the proper time had elapsed, were barred accordingly;" and thereupon the court refused said charge to the jury, and, on the contrary, charged the jury that only the period of time which elapsed from the date of said levee warrants prior to the 26th day of January, 1861, could be counted, and then that prescription did not commence to run again until the 20th day of August, A. D. 1866, and this law was as applicable to citizens actually residing in the so-called Confederate States, in the State courts of such so-called Confederate States, within the confederate lines, as in the courts of the United States. To which said opinion and charge of the court to the jury, the defendants by counsel excepted, and tendered this its bill of exception to the court, for seal, signature, and allowance, which is done.

BRITTON & KOONTZ
vs.
POLICE JURY OF THE PARISH OF TENSAS. } No. 6291.

Before Hon. E. H. Durell, presiding.

Be it remembered that on the trial of this cause, after the jury had returned into court with an informal verdict for the plaintiffs, they asked the court for instructions as to the rate of interest which the plaintiffs were entitled to recover; and thereupon the court informed the jury that the plaintiffs were entitled to recover interest at the rate of five per cent. per annum, from judicial demand, until paid. And thereupon the defendant, by counsel, then and there excepted to said opinion and

additional charge to the jury, and tendered the court this its bill of exception for signature & allowance, which is done.

BRITTON & KOONTZ
vs.
THE POLICE JURY OF THE PARISH OF TENSAS. } No. 6291.

Before the Hon. E. H. Durell, presiding.

Be it remembered that on the trial of this cause before the jury, the evidence introduced tending to show that the bonds from which the coupons sued on were detached had been delivered on the surrender of certain levee warrants, payable to Kennedy & Maxwell, five of which said levee warrants are made a part of another bill of exceptions, and to which reference is made to shew their tenor & effect, as part of this bill, and it having been contended, in argument, by defendant's counsel, that whether the acts of the legislature of L'a, approved the 17th day of February, A. D. 1866, of the 26th day of March, 1867, and the 10th day of September, A. D. 1868, had repealed the prior laws on the subject of levees, as it respected the officers acting in said parish of Tensas or not, that as the police jury of said parish of Tensas had no power to provide for the payment of the building of levees, if at all, except by taxation; and that inasmuch as the general laws of the State
23 required, when any contract was made creating a debt against the parish, generally, provision should be made in the same ordinance for the payment of debt and interest; and that inasmuch as the act of the legislature of the State of Louisiana, approved the 13th day of March, 1860, (Acts of L'a, pages 146 to 147,) had provide' the mode and designated the officers who were to execute the bonds which were to be issued on account of the levee funds, and directed the police jury what provision to make for their redemption; and that as the resolution of the said police jury of the 18th day of January, 1869, and said so-called bonds from which said coupons were attached, did not conform in any particulars with the law, either in substance or from, that said resolution of the 18th day of January, A. D. 1869, and said bonds & the coupons were null and void; and when the court came to charge said jury, defendant's counsel requested the court to charge the jury, before they retired to deliberate on their verdict, that the said resolution of said police jury, which had been offered in evidence in this case
24 by both plaintiffs & defendant, & referred to in plaintiff's petition in this case, and which is in these words:

"THE STATE OF LOUISIANA,
"*Parish of Tensas:*

"MONDAY, *January* 18, 1867.

"J. V. Sevier, " " " 1.
"Johnson Montgomery, from ward No. 2.
"Henry Nichols, " " " 4.
"Alfred Fairfax " " " 6.

"There being a quorum present, they proceeded to business, when the following resolution was adopted, viz:

"*Be it resolved*, That all just claims against the parish of Tensas be now funded, and that the various creditors of the said parish be called upon to present, by the 1st day of July, A. D. 1869, from this date, their claims against the parish of Tensas to the president of the police jury and the clerk of the police jury, and they, after examining the claims and approving them, shall issue to the creditors the bonds of the parish, payable in six, seven, eight, nine, ten, eleven, and twelve years from this date, and said bonds shall bear interest at six per cent. per
25 annum, and said interest shall be payable annually; that all claims not presented by the first day of July, A. D. 1869, shall be forever barred.

"*Be it further resolved*, That the parish attorney of this parish is hereby instructed not to plead prescription upon any claims against the parish, unless the holder of said claim refuse to accept the terms herein proposed for funding the indebtedness of the parish.

"*Be it further resolved*, That in any case where the president & clerk of the police jury are in doubt about the correctness of any claims that may be presented to them, the same shall be referred to the board.

"*Be it further resolved*, That the president & clerk of the police jury are hereby authorized to purchase bonds, with coupons attached, to be used in funding said indebtedness.

"Ayes—unanimous—five.

"Attest 17th February, 1871.

"REEVE LEWIS,
"*Clerk Police Jury.*"

26 is void upon its face under the laws of Louisiana, and the supposed bonds and coupons set forth in plaintiffs' petition as executed under the same, are null and void and not warranted by law, and there must be a verdict for the defendant; and thereupon the court refused said charge, and informed the jury that the levee warrants were valid debts against the parish, and that the police jury had the power to issue the bonds in question, and had an undoubted right, & it was very proper for them to postpone the indebtedness of the parish on the levee warrants for six, seven, eight, nine, ten, eleven, and twelve years, if they thought the interest of the parish so required; to all of which charge of the judge and to the refusal of the said court to charge the jury as requested, the defendant, by counsel, excepted, and tendered this their bill of exception to the court for seal, signature, and allowance, which is done.

which were annexed to the deposition of one Reve Lewis and had been offered in evidence to the jury by the plaintiffs' counsel, and also by the defendant, and it having been proven that, at the date of said ordinance of the 18th day of June, 1869, the attorney of the parish of Tensas having given it as his opinion to the said police jury of the parish of Tensas that said warrants were prescribed, they then being held by said plaintiffs, and it having been so argued by defendant's counsel before the jury, and that the bonds from which the coupons sued on in this case were detached were not only void by reason of being given upon extinct obligations, but also that said resolution of the police jury of the 18th day of January, capitalizing such extinct debt & interest, a portion of said interest being calculated at a higher rate, was a new contract, which required a provision to be made in the resolution itself for the payment of debt and interest; plaintiffs' counsel requested the court, among other things, to charge the jury,

32 "that the warrants annexed to the depositions of Reve Lewis and surrendered by Britton & Kountz to the police jury on receiving bonds in lieu thereof, were not prescribed on the 18th day of January, 1869;" and the court then and there so charged the jury as requested, and the defendant then and there, by counsel, excepted to said charge to the jury and tenders this their bill of exceptions for signature and allowance, which is done.

BRITTON & KOUNTZ
vs.
THE POLICE JURY OF THE PARISH OF TENSAS. } No. 6291.

Before the Hon. E. H. Durell, presiding.
Be it remembered that on the 15th day of June, 1871, and when this

case was on trial before a jury, the evidence introduced tending to show that Kennedy & Maxwell were levee contractors, and resided in
33 the parish of Tensas, and State of Louisiana, and in said capacity they received, as payees, the several levee warrants copied into another bill of exceptions taken herein, and numbered "5," which said warrants, or copies, are to be taken as a part hereof; that they transferred said warrants to these plaintiffs, and that Britton & Koontz surrendered said warrants to the police jury of Tensas in 1869 & received the bonds from which the coupons sued on were detached; counsel for defendants asked the court to charge the jury then and there present in court—

"That if Kennedy & Maxwell, through whom plaintiffs' claim, were either, or both of them, citizens of the State of Louisiana at the time said levee warrants were issued to them, then they could not transfer said warrants drawn to their own order by the levee inspector in said parish of Tensas on the treasurer of the levee fund so as to authorize said transferees to sue on said warrants said police jury of the parish of Tensas, in the United States circuit court, whatever may have been the citizenship of said transferees;" and the court then and there refused to give said charge to the jury.

34 And to this refusal, on the part of the court to charge the jury as requested in writing, counsel for defendant then and there excepted, and now tender this bill of exceptions to the court for signature and seal, which are allowed.

Because this suit was not brought upon the warrants, but upon bonds made payable to the bearer, the judge refused the above instruction.

BRITTON & KOONTZ
vs.
THE POLICE JURY OF THE PARISH OF TENSAS. } No. 6291.

Be it remembered that on the trial of this cause the defendant, by counsel, requested the court to charge the jury, "that the police jury of a parish are without any authority in law to issue bonds or other evidences of debt for a claim against the parish which has been extinguished by prescription."

But the court refused to give said charge to the jury, and stated to them that the court had already informed them that the said
35 levee warrants were not prescribed and the charge requested was not applicable to the case; to which said ruling of the court the defendant, by counsel, excepted then and there, and tenders this its bill of exceptions for seal, signature and allowance, which is done.

BRITTON & KOONTZ
vs.
THE POLICE JURY OF THE PARISH OF TENSAS. } No. 6291.

Be it remembered that on the trial of this cause before the jury, it

being shown by the production of certain levee warrants offered in evidence to the jury, which said warrants are copied into another bill of exception and made part of this bill, that only a portion of the levee warrants bore eight per cent. interest, and the residue bore only five per cent. interest, and that the interest on all of said warrants was capitalized and carried into said bonds, from which said coupons were detached, as principal, at eight per cent. interest; and, it having been con-
36 tended in argument before the *the* jury by defendant's counsel that, at the time said levee warrants were drawn, the power for making said levee contracts was not vested in the police jury, but in certain other officers over whom the police jury had no control; and that said levee warrants were not drawn against any fund which, when created, was subject to the control of said police jury, but subject to be drawn against by other officers, and for a particular purpose, the defendant's counsel requested the court to charge the jury then present, and, receiving the charge of the court, among other things, that, "at the date of the said levee warrants offered in evidence, viz, in the years 1860 and 1861, the power to make contracts for the making and building of levees in said parish of Tensas was not vested in said police jury of said parish of Tensas as such, but was entrusted to other officers, and chargeable to a special fund; and the only power ever vested in said police jury to create a debt on account of said parish for levee purposes was the act of the legislature of the State, approved March 13th, 1860, (acts of Louisiana, 1860, pages 146, 147,) and
37 the police jury could not issue bonds to bind said parish generally on an account of the levees and levee contracts in any other form & manner than provided by said act; that any ordinance of said police jury of said parish of Tensas consolidating the indebtedness created by the authorities appointed for the purpose of making contracts for the building of levees, authenticating such contracts, and drawing warrants for the payment thereof on the treasurer of the levee fund, by which said ordinance such indebtedness was to be funded and the interest capitalized and made to bear interest, and such indebtedness to be postponed for six, seven, eight, nine, ten, eleven, and twelve years, was, when accepted by creditors of such fund, a contract; and such ordinance could be valid to bind the parish generally, if at all, only by conforming to the law, which made it the duty of the police jury to provide in the same ordinance for the payment of debt & interest of the obligation created by such contract, and the ordinance of January 18th, 1869, in question, is also, on this account, void."
38 But the court refused so to charge the jury, and the defendant then and there, by counsel, excepted and tendered to the court this its bill of exception for allowance, which is done.

BRITTON & KOONTZ
vs.
THE POLICE JURY OF THE PARISH OF TENSAS. } No. 6291.

Before Hon. E. H. Durell, presiding.

Be it remembered that on the trial of this case before the jury, it having been shown by proof that the five levee warrants which are

incorporated in another bill of exceptions of this date, and amounting to $18,341, exclusive of interest, were exchanged by said Britton & Koontz for bonds of said parish of Tensas, coupons of which are sued in this case, numbered from No. 177 to No. 422, inclusive, & that interest was calculated at eight per cent. upon the said warrants, making $24,616; and the proof tending to show, through not conclusively, that the residue of the bonds alleged to be held by plaintiff had been exchanged for other and similar levee warrants of said Kennedy
39 and Maxwell, the defendant's counsel, among other things, asked the court to charge the jury, "that if the jury find that there are coupons sued on in this case detached from bonds which have not been shown to be for any prior indebtedness of the parish in any form, nor for any debt created upon the levee fund, then the plaintiffs have not shown, as it respects those bonds, that they were for any anticedant debt, and the plaintiffs cannot recover on the coupons on the same."

But the court refused to give said charge as requested, & instructed the jury that the police jury of the parish of Tensas were authorized to provide for the payment of the levee warrants by issuing bonds for the same as had been done in this case, and there being no proof adduced by the defendant that any bonds were issued under the resolution of 18 Jan'y, 1869, other than for anticedant debt, the presumption was in favor of pl'ffs until rebutted.

To which said opinion and charge of the judge to the jury then and there present, the defendant, by counsel, then and there excepted
40 and tendered to the court this its bill of exception for signature, seal, and allowance, which is done.

BRITTON & KOONTZ
vs.
POLICE JURY OF THE PARISH OF TENSAS. } No. 6291.

Be it remembered that on the trial of this cause before the jury, the defendant, by counsel, asked the court to charge the jury, among other things, "that the police jury of a parish, as such, have no authority in law to issue bonds payable at a future day, with coupons of interest attached, for any purpose, unless specially authorized so to do by statute, and that it is incumbent upon the plaintiff to show special authority to issue the bonds and coupons sued on in this case; that on failure to shew such authority there must be a verdict for defendant."

And said defendant requested the court to charge the jury further, "that the bonds and coupons issued under said ordinance of the
41 police jury of the parish of Tensas of January 18, 1869, one of which said bonds and four hundred and sixty of which said coupons are annexed to, and made part of, plaintiffs' petition, are null and void on their face, not only on account of their defective execution, but also for want of authority in said police jury of said parish of Tensas to authorize the same to issue, and said Tullis & Reeve Lewis to sign the same so as to bind said parish of Tensas."

But the court refused said instructions and charges to the jury, and the defendant, by counsel, then and there excepted to said refusal to

charge as aforesaid, and tendered to the court this its bill of exception for signature and allowance, which is done. And the court now here directs the clerk that the bond and coupons annexed to plaintiffs' petition, and making a part thereof, are to be copied into any transcript of the record to be made as a part of the record, and they are also referred to as making a part of this bill of exceptions, and that whatever is certified in one bill of exceptions shall, so far as applicable, be taken as explanatory of the other bills of exception in this case.

BRITTON & KOONTZ
vs.
THE POLICE JURY OF THE PARISH OF TENSAS. } No. 6291.

Be it remembered that on the trial of this cause, the defendant having introduced the testimony of several witnesses, among others the president and some members of the said police jury of the parish of Tensas, to show that one A. P. Marshall at the date of said resolution of the 18th day of March, 1869, made part of another bill of exception and referred to as a part of this bill, was the creditor of said parish on unprescribed claims, amounting to eighty or ninety thousand dollars, and that the police jury of said parish of Tensas would not have passed said ordinance of the 18th day of January, 1869, (which said ordinance was repealed by another ordinance of said police jury, bearing date 7th of June, A. D. 1870, and annexed to this bill of exception and made a part hereof,) except under the assurance

43 that said A. P. Marshall would accept said resolution and receive the bonds and coupons to be issued under it for his large debt; and it being also shown by proof that said George W. Koontz, one of the plaintiffs, was present, and being aware of such determination, informed the police jury that he had seen said A. P. Marshall, and that he and said Marshall had agreed to accept the six per cent. bonds of the said parish, payable in six and twelve years, in full satisfaction of these claims; & the testimony of the said A. P. Marshall having also been taken and read to the jury, wherein he stated that he never agreed to accept such terms, and never informed said Koontz that he would come in under such resolutions, or anything like it; and it being also shown by the testimony of witnesses, viz, Eli Tullis, president of the police jury, and others, that the accepting of the terms mentioned in said resolution of 18th January, 1869, by said Marshall, was the inducement to pass said resolution of the 18th day of January, A. D. 1869, and that it would not have been passed had the police jury not trusted to

44 the assurance and statements of said Koontz that said Marshall had agreed to come in under such resolutions, and accept the same terms as it respected his said debt; and it being also proved by said A. P. Marshall that he was present in the town of St. Joseph, where the police jury held its sessions on the 18th January, 1869, and after the close of the meeting of the police jury, and within 15 minutes after said resolution was passed, told the president and some other members of the police jury that he would not accept the terms of said resolution, and that inasmuch as the police jury knew before issuing said bonds that Marshall would not accept the conditions of the resolution, any repre-

sentations that might have been made by Koontz to the contrary were immeterial, inasmuch said bonds were subsequently issued with a full knowledge of all the facts; and thereupon the defendant's counsel requested the court to charge the jury, "that if the jury believes that the said ordinance of the police jury of the parish of Tensas, referred to in the plaintiff's petition, and offered in evidence by plaintiffs in this case,"

(being the same resolution of January 18th, 1869, set forth in
45 another bill of exception, and made part of this,) "was procured by the misrepresentation of Geo. W. Koontz, one of the plaintiffs, as set forth in defendant's answer, that then the plaintiffs are not entitled to recover, and the jury should find a verdict for the defendant." But the court refused to charge the jury in the language requested, but instructed the jury that, as the plaintiffs had just demands against the police jury of the parish of Tensas at the time said resolution was under discussion, the mere statement that certain other creditors of the parish would (if the resolution should be passed) come in under the resolution and grant a delay would not invalidate the resolution or the bonds issued under the same, and that nothing but a fraudulent and corrupt misrepresentation by which an advantage in the substance of the contract was obtained would avoid the same; to which said charge and ruling of the court the defendant, by counsel, then and there and in the presence of *of* the jury excepted, and tendered to the court this its bill of exception for signature, seal, and allowance, which is done.

46 *Resolution annexed to and made part of the foregoing bill of exceptions.*

THE STATE OF LOUISIANA,
Parish of Tensas:

TUESDAY, *7th June, A. D.* 1870.

At a meeting of the police jury held this day the following members were present:

Eli Tullis, president, from ward No. 3.
John Gordon, " " 2.
Henry S. Nichols, " " 4.
Alfred Fairfax " " 6.

Mr. Gordon offered the following preamble & resolution, to wit:

[Extract.]

Whereas on the 18th day of January, A. D. 1869, the police jury of the parish of Tensas passed an ordinance to fund the debt of the parish, and to issue the bonds of the parish therefor, payable in 6, 7, 8, 9, 10, 11, & 12 years from 1st July, 1869, bearing six per cent. per annum interest, payable annually, and represented by coupons attached to the said bonds;

And whereas under said ordinance the bonds of the parish have been issued amounting to the sum of more than sixty-nine thousand five hundred dollars on their face, numbered from one to 695 inclusive;

47 And whereas said ordinance was passed and said bonds issued through error and misrepresentation in this, to wit, the police jury were induced to believe that A. P. Marshall, with the other creditors of the parish, had agreed to fund his debt according to the provisions of said ordinance, when, in fact, said Marshall had not so agreed;

And whereas the said representation as to the agreement of said Marshall was the sole inducement & consideration for which said police jury passed said ordinance & therefore issued said bonds & coupons by which claims clearly prescribed were attempted to be revived against the parish in said bonds;

And whereas the police jury are now convinced that they had no right to revive prescribed claims against the parish without consulting the people of the parish, and had no legal right to issue bonds therefor: Therefore

Resolved, That the tax collector and the parish treasurer be, and they are hereby, forbidden to receive any of said bonds or coupons in payment of any indebtedness of any kind, due by parties to the parish of Tensas, as said bonds & coupons are illegal, null and void.

Which was seconded and put to vote and unanimously adopted.

48 Certified to be a true and correct extract from minutes of police jury of Tensas Parish, Louisiana, of 7 June, 1870.

Attest 17th February, 1871.
